To Whom It May Concern:

Our facility has experienced the wonders of music with Tommy Schlein on several occasions for our senior residents. Most recently, Mr. Schlein performed for our Annual Christmas Party which included residents' families and other loved ones. So many of those in attendance complimented this entertainment which encompassed a variety of songs from a variety of eras – something for everyone!

We can vouch for the professional and friendly musical performance of Tommy Schlein for your consideration with future events.

Sincerely,
